Beginning in late January you may have your boat inspected and vehicles and boats stickered at the Scotts Flat Lake Office, Monday through Friday from 8a.m. to 3p.m. After April there will be staff available on weekends as well.

Cascade Shores Pass Holders please contact the office for a Cascade Shores Launch boat inspection, to have your sticker put on the vehicle and boat and to re-activate your card.

Provide proof of registrations on all vehicles and vessels to verify matching addresses of Season Pass holders.

***Watercraft is either one (1) boat or two (2) kayaks/paddleboards each access.** *Additional fees apply for additional watercraft.*

Thank you for your continued patronage at Scotts Flat Lake.

Sincerely,
